**Memorial Trees on Town Website**

By linking our website [libertytreesociety.org](http://libertytreesociety.org) on your website, residents can create a backyard Memorial for any occasion. For 400th anniversary of the Landing of the Pilgrims at Plymouth Rock in 2020 or other event coming up, the Memorial could be planted for that as well. These ceremonial trees would be a living testimonial to your interest in preserving the beauty of your town. A tree planted anywhere, on private or public property, adds value to the town long range, adds tax value and makes property worth more as it grows. **BONUS:** If (50) or more Personal Memorials are planted, Liberty Tree Society will donate a Liberty Tree Memorial to your town.
